What is it !!
Dammit! I know very well, it's unusual from me!! It's my first time!
Going to buy such a shameful present !!
And it looks like a necklace to give to a woman!
But when it's my birthday you're the one to buy a ton of clothes or shoes or watches or other expensive stuff
And the ring the other time was worth 10 000 000 right?! shibuya tol me! With your rotten sense of money !!
Aaah enough already, I'll go prepare the lunch now, the lunch!!
you're always getting hotel and make us lunch you — lunch-sky-er
